

# Third Annual California Statewide Reading Apprenticeship Conference

May 11 & 12, 2018

Kellogg West Conference Center, Pomona, CA

\$75

Join educators from across California to learn how they use the Reading Apprenticeship framework to deepen learning for students across disciplines and levels by:

- » Promoting critical and strategic reading, writing, thinking & problem solving
- » Developing students' positive literacy identities
- » Engaging students with challenging academic texts
- » Enabling students to persist in their academic endeavors

(See reverse for full conference schedule)
